

# Y1 Counting to 100

KS1 Y1 Maths · Follows the national curriculum

Name \_\_\_\_\_ Class \_\_\_\_\_ Date \_\_\_\_\_

## 1. Worked example

### Count on from 27 to 32

Step 1 · Start at 27 and say the next numbers

28, 29 ...

Step 2 · After 29 we reach a new ten: 3 tens

30

Step 3 · Keep going

31, 32

**Answer: 27, 28, 29, 30, 31, 32**

Check: After a number ending in 9 comes a new tens number.

## 2. Now try one with the steps

### Count back from 63 to 58

Step 1 · Start at 63 and go back one at a time

\_\_\_\_\_

Step 2 · Before 60 comes the last number of the fifties

\_\_\_\_\_

Step 3 · Keep going back

\_\_\_\_\_

**Answer:**

\_\_\_\_\_

## 3. Practice

Have a go at each one. There is space underneath to work it out.

1. What number comes after 29?

\_\_\_\_\_  
\_\_\_\_\_

2. What number comes after 45?

\_\_\_\_\_  
\_\_\_\_\_

3. Fill the gap: 36, 37, 38, \_\_\_\_

\_\_\_\_\_  
\_\_\_\_\_

4. Fill the gap when counting back: 54, 53, 52, \_\_

---

---

5. What number comes just before 70?

---

---

6. Fill the gap: 78, 79, \_\_, 81

---

---

7. What number comes after 99?

---

---

8. Fill the gap when counting back: 61, 60, \_\_, 58

---

---

9. What number is 3 tens and 5 ones?

---

---

10. How many tens are in the number 60?

---

---

11. Write the number seventy-two in digits.

---

---

12. Start at 95 and count on 5. What number do you land on?

---

---

13. Start at 42 and count back 4. What number do you land on?

---

---

14. Ravi counts back: 83, 82, 81, 79. Which number did he miss out?

---

---

#### 4. Before you hand it in

##### Saying "twenty-ten" after twenty-nine.

After a number ending in 9 comes the next tens number: 29 then 30, 59 then 60.

**Muddling thirteen (13) and thirty (30), or fourteen (14) and forty (40).**

Say them slowly: thir-TEEN has a 1 ten and 3 ones; THIR-ty is 3 tens. Show them with sticks and cubes.

**Writing forty-one as 14.**

The tens digit always goes first (on the left): forty-one is 4 tens and 1 one, so 41.

**Counting back from 70 and saying "seventy, seventy-nine".**

Before 70 comes 69. Use a number line or hundred square to check.
