

Y1 Parts of the Human Body

KS1 Y1 Science · Follows the national curriculum

Name _____ Class _____ Date _____

1. Worked example

Label the parts of a face.

Step 1 · At the top

Hair, then eyebrows above the 2 eyes

Step 2 · In the middle

The nose

Step 3 · Below the nose

The mouth, with the chin under it

Step 4 · On each side

The ears

Answer: Hair, eyes, eyebrows, nose, mouth, chin, ears

Check: Draw a line from each label to the part. Make sure lines don't cross.

2. Now try one with the steps

How many fingers and thumbs do you have altogether?

Step 1 · Each hand has 4 fingers and 1 thumb

Step 2 · You have 2 hands

Answer:

3. Practice

Have a go at each one. There is space underneath to work it out.

1. How many eyes do you have?

2. How many toes are on one foot?

3. What is the bendy part in the middle of your arm called?

4. What is the bendy part in the middle of your leg called?

5. Which body part joins your head to your body?

6. Which part of your body do you wear a shoe on?

7. Which part of your body do you wear a glove on?

8. How many fingers (not counting thumbs) are on one hand?

9. How many toes do you have altogether on both feet?

10. Which part joins your hand to your arm?

11. How many arms and legs do you have altogether?

12. Name 3 body parts that are on your head.

13. Ibrahim is 6 years old and his baby sister is 1. Name one body part they both have.

4. Before you hand it in

Mixing up elbows and knees.

Elbow = arm. Knee = leg. Touch each one say it.

Mixing up wrists and ankles.

Wrist joins your hand; ankle joins your foot.

Saying you have 10 fingers on each hand.

Count one hand at a time: 1, 2, 3, 4, 5.

Drawing labels with lines that don't touch the part.

Use a ruler and make the line end right on the part.
