

Numbers

KS2 French · Follows the national curriculum

Name _____ Class _____ Date _____

1. Worked example

How do you say '5' in French?

Step 1 · Count up: un, deux, trois, quatre, cinq

The 5th word is 'cinq'

Answer: cinq

Check: Cinq sounds a bit like 'sank'.

2. Now try one with the steps

How would you say '7 apples' in French (just the number word)?

Step 1 · Count up to the 7th number word

Answer:

3. Practice

Have a go at each one. There is space underneath to work it out.

1. What is 'trois' in English?

2. How do you say '10' in French?

3. What is 'six' in English?

4. How do you say '2' in French?

5. Count from 1 to 10 in French.

6. Why might learning to count in another language help you recognise similar-sounding English words (like 'six' and 'sept'/'September')?

4. Before you hand it in

Mixing up similar-sounding numbers like 'deux' (2) and 'douze' (12).

Practise saying them slowly and clearly to hear the difference.

Forgetting the correct spelling of number words when writing them.

Practise writing each number word, not just saying it out loud.
